## Room Parent

### What Will You Do?

- Communicate between other parents.
- Organize volunteers
- Volunteer at class events (if you cannot volunteer at class events please find someone to take your place.)

### Get a List

Without a doubt, your best resource as room parent will be an up-to-date parent email list and cell phone list. A roster for your class will be provided by the office and your teacher will have an additional contact sheet from open house and back to school night.

### Create a WhatsApp class group as a BROADCAST LIST only

Using the list (via text or email) ask for permission to add a parent to the WhatsApp group.

### How To Sign Up

Let your teacher know that you would like to be a Room Parent.

Check it off on the Volunteer Form.
