

Gan Israel Preschool & Kindergarten Parent Teacher Association (PTA)

Dear Families,

On behalf of the PTA, we would like to welcome everyone back to school. What is the PTA? It is a Parent-Teacher organization to support and enrich the school and students.

Who can be in the PTA?

If you're a parent, grandparent or teacher at the school you can be involved. There is no membership required just your desire to make a difference in your child's school.

PTA Programs & Fundraising

Our primary objective is to provide our school with funds, programs, resources and services that will enrich the education of our children and to benefit the school.

Opportunities To Get Involved

You don't have to volunteer a lot of time, can volunteer from home and can participate in programs and events of your choosing. We form committees for larger events and are always looking for parent involvement throughout the year. We need your talent! Your participation however large or small is always welcome. A special thanks to all our volunteers from last year for all their hard work and dedication.
